The Honorable Kay Granger  
Chairwoman  
House Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Williams Fire Protection Authority Fire Station project in fiscal year 2024. The entity to receive funding for this project is Williams Fire Protection Authority, located at 100 Ella Street, Williams, CA 95987. The funding would be used for a new fire station/emergency operation center to serve the City of Williams and the Williams Fire Protection District. The project is an appropriate use of taxpayer funds because it would solidify a collaboration of Federal, State and local fundings to invest in the emergency response capabilities of the local area, including local disasters, such as flooding and wildfires.

The project has a federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doug LaMalfa  
Member of Congress
